

Shipping Guidelines for Your Chinese Visa Application(s)

To help process your visa application quickly and conveniently, Oasis China Visa Services partners with trusted third-party agents who submit applications directly to the Chinese Consulate General in LA/SF/Chicago/NYC. Please follow the instructions below to safely ship your passport and application materials.

Step 1: Prepare Your Package

- Place all documents neatly inside a manila or regular folder.
- Include the following:
 - Passport(s)
 - Order Form
 - Printed payment confirmation by Zelle or Credit Card Receipt
- Put the folder / manila envelope inside a rigid FedEx or UPS Letter-Size envelope (not a manila folder alone).

Step 2: Choose a Reliable Mailing Service Provider

- Recommended:
 - FedEx Express
 - UPS Express
- For FedEx, use FedEx Express 2nd Day PM and request **FedEx ONE RATE** to reduce cost.
- UPS Ground is not recommended due to longer delivery times and an increased risk of package damage.
- Avoid USPS due to frequent delays and delivery issues.

Step 3: Add Shipping Security (Optional but Recommended)

- Add Signature Confirmation.
- Add insurance coverage \$200 - \$500 (FedEx typically charges \$8.65 for both services combined).
